Metronome Online Worksheet

Practice three songs with the metronome. Try two different tempos for each piece.

List the songs you played, and the tempos you chose:

Song	Tempo 1	Tempo 2

Click on the link “tempo markings”, or look closely at the writing in the circle of the metronome.

EXAMPLE:

112 beats per minute is considered Allegro.

1. 52 beats per minute is considered _____.
2. 46 beats per minute is considered _____.
3. 96 beats per minute is considered _____.
4. 160 beats per minute is considered _____.
